SPARKLING WINE & MÉTHODE CAP CLASSIQUE

- Savi Sparkling Wine** R225
 A lively and refreshing wine made by Carmen Stevens using Sauvignon Blanc and Cabernet Franc.
- Simonsig Kaapse Vonkel Brut Méthode Cap Classique** R295
 The first ever bubble to be born inside a wine in South Africa was at Simonsig in 1971. Fresh primary notes of Granny Smith apple and white flesh fruit. An array of dancing pearls creates an ambiance of magical aromas. On the palate the crisp acidity captures the tingling aromas of citrus that transcends into pockets of apples and pears. A top-class MCC that resembles elegance and finesse.

WHITE WINE

- Kunjani Sauvignon Blanc 2020** R50/R145
 The wine is a true expression of the Elgin Valley cool climate terroir with a good balance of green fig, a touch of tropical fruits and a well-defined natural acidity. Wild yeast fermented which ensures that this wine has a lot to offer on the palate and ending long and smooth. Powerful yet chiselled on the palate with outstanding body and excellent fruit concentration. This wine drinks extremely well now but is expected to mature with added complexity in bottle over the next few years.
- Kunjani Chenin Blanc 2020** R45/R130
Gold Gilbert & Gaillard
 Harvested from grapes in the Bottelary area between 17 and 27 February, 40% of which was fermented in barrel using indigenous yeast. The balance of 60% was fermented in stainless steel tanks using Anchor Alchemy 1 yeast which produces a lot of flavours in the wine, giving it lovely stone fruit and floral characteristics. This final blend comprises 96.4% Chenin blanc with a dash of Rousanne and Verdelho.

ROSÉ
